SKYTECH

ABOUT US

SKYTECH is one of the KUWAIT leading manufacturers and suppliers of hospital supplies, medical supplies and medical equipment.

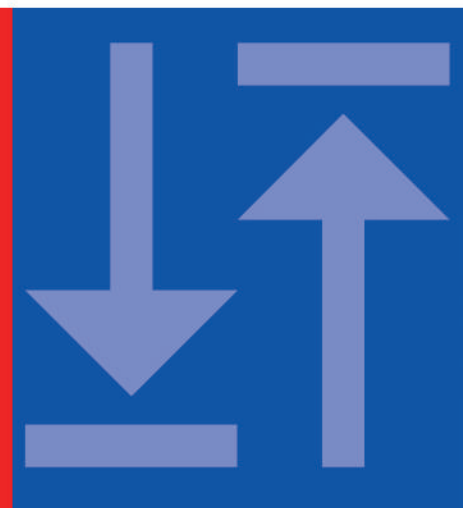

We hold the widest range of medical supplies and medical equipment available to the KUWAIT, including everything from SPIROMETRY, PULSE OXIMETERS, AIRWAY CLEARANCE DEVICES, HOME VENTILATOR and many more.

OUR AIM

THE BEST DELIVERY

We aim to keep as much of our hospital supplies, medical supplies and medical equipment in stock at all times so that we can offer you the best delivery times possible.

OUR PEOPLE

We are friendly, energetic, accessible and caring. We listen, are experts and work pro-actively to make our customers more successful.

OUR SUCCESS

Our success in SKYTECH is all about building and maintaining long term relationships with our clients so that we all benefit.

WE'RE DIFFERENT – IN A GOOD WAY...

We treat each of our customers individually; we want you to be 100% happy when dealing with SKYTECH.

We understand the 'one size fits all' approach doesn't suit everybody, this is why we can customise many of our processes to suit you and the way you work.

SERVICES

MATERIAL SUPPLY

SERVICES WE OFFERED

We pride ourselves on our fast , efficient , delivery service and high levels of customer care . Added to this we have over 30 years of experience in the construction industry allowing us to offer solutions to a wide range of customer requirements/problems.

We often come across specifications on sites , which seem to be the most suitable for the application but are not necessarily the most practical . We can quickly make alternative suggestions , subject to the manufacturers agreement to ensure your site is offered the most practical and cost effective solution.

TRANSPORTATION

SERVICES WE OFFERED

Providing you excellent services at a competitive price is only part of SKY-TECH'S promise. Our greater mission is to help make your job smoother and easier at every turn. We put a lot of thought, time, effort, and money into some of the less obvious aspects of distribution.

From helping you identify your supply needs, to stocking the products, to getting orders to you on time, we do our best to help you every step of the way.
